

HB 2042 -- AUDIT REPORT REVIEW BY GENERAL ASSEMBLY

SPONSOR: Curtman

COMMITTEE ACTION: Voted "Do Pass" by the Standing Committee on Government Efficiency by a vote of 8 to 2 with 2 present. Voted "Do Pass" by the Select Committee on General Laws by a vote of 10 to 0.

This bill requires the Committee on Government Oversight and Accountability or another committee designated by legislative rule to review reports issued by the office of the State Auditor within one year and provide recommendations to the Speaker of the House of Representatives.

PROPONENTS: Supporters say that it is legislators' duty to taxpayers to do this. It is foolish to think that the agencies and political subdivisions will police themselves.

Testifying for the bill was Representative Curtman.

OPPONENTS: There was no opposition voiced to the committee.
